

MR. DEEPAK C. MEHTA, TRUSTEE, BAIF

Mr. Deepak C. Mehta, Managing Director, Deepak Nitrite Limited and Vice Chairman, Deepak Fertilisers and Petrochemical Corporation Ltd., joined the BAIF Board of Trustees in 2005.

Mr. Mehta, a Graduate in Science from the University of Bombay, is also Vice Chairman of Deepak Fertilisers and Petrochemical Corporation Ltd. Mr. Mehta is the President of the Indian Chemical Manufacturers' Association, an Executive Member of the Chemical Committee of Confederation of Indian Industries and the Federation of Indian Chambers of Commerce and Industry. His managerial expertise and business acumen in his association with these prestigious institutions is benefitting BAIF tremendously.

The rich experience of Mr. Mehta in industrial management and his strong social commitment as a corporate citizen is consolidating BAIF's programme efficiency and helping it to serve the community better.
