

**FIRE SIDE CHAT IN GREEN ZONE**  
(Invited BAIF for this FIRE SIDE CHAT IN GREEN ZONE)

**Date: 4 December 23**

**Time: 13:00 – 13:30 Dubai Time**

**Location:** Expo City Dubai/Centre for the Planet Pavilion in the Green Zone

**Length:** Boomitra will have use of the Pavilion for three hours and will be hosting three Lightning Talks commencing at the top of each hour. Your lightning talk will begin at 13:00 and run for 20-30 minutes. Boomitra has arranged this with Govt of India representative

**Lightning Talk:**

**Sowing Tomorrow: Soil Carbon Projects in Developing Communities – Empowering Farmers in India for Regenerative Change**

In this session we'll shine a spotlight on developing soil carbon projects in India. We'll talk about how Boomitra and its partners are helping farmers recarbonize their lands, introduce regenerative agriculture practices, and the importance of fostering robust community support to fuel this sustainability transition.

**Speakers:**

- Aadith Moorthy, Founder and CEO, Boomitra
- Franklin Khobung, Joint Secretary, Department of Agriculture and Farmer Welfare, Government of India
- Dr. Rajashree Joshi, Programme Director, BAIF Development Research Foundation, India
